

## Explore Consulting SuiteCommerce Fast Track Hero Slider Module

*Over half the visitors to your site spend fewer than fifteen seconds on your homepage before leaving.*

**Making a targeted and lasting impression during that short period of time is crucial to your business's success.**

In answer to this need, Explore Consulting is now offering our new Fast Track Hero Slider Module for the SuiteCommerce Advanced platform. Make a great first impression with your site visitors by featuring your best content rotating in a sleek, modern slider. The Hero Slider Module is touch enabled, fully responsive and SEO optimized.

**Managing your brand image has never been easier!**

## Key Benefits

- The SuiteCommerce Fast Track Hero Slider Module makes managing the critical first impression on your site's visitors an easy win.
- Our slider utilizes one of the most popular and commonly used slider controls for a full-featured module.
- The SuiteCommerce Fast Track Hero Slider Module is easy to configure through custom NetSuite UI.
- Don't stress out over complex installations. Our slider module is easy to install and manage as a NetSuite bundle.

## Module Features

- Touch enabled
- Fully responsive
- Built for modern browsers but backward compatible
- Supports for single cell or multiple cell sliders
- Lazy loading of off screen images for improved UI
- Supports video embedding
- Multiple screen transition effects supported
- Can customize with custom events
- SEO optimized
- Supports multiple sliders per page

## What Is SuiteCommerce Fast Track?

A Certified SuiteCommerce Digital Agency Partner with more than 13 years of NetSuite Ecommerce experience, Explore Consulting understands how to successfully leverage the SuiteCommerce platform to take your online business to the next level.

Our SuiteCommerce FastTrack is a collection of pre-built modules that provide a jumpstart approach to building SuiteCommerce webstores, including several pre-built bundles developed to get your site launched quickly.

The solution, **available at no cost to our NetSuite services customers**, leverages newly released SuiteCommerce Advanced features and accommodates commonly needed functionality from enhanced navigation to category management.

Featuring responsive and mobile capabilities, it's the **optimal entry point for a quick, stream-lined SuiteCommerce website launch.**
