

NetSuite/ ERP Implementation Consultant

Explore Consulting has been a leading NetSuite Solution Provider for more than 13 years and has 24 NetSuite awards on our mantle including NetSuite Partner of the Year, Americas 2011 and 2014, and President's Club 5 for top license sales 5 years running. NetSuite is the nation's fastest growing ERP system outpacing SAP, Oracle, Microsoft and Sage. So if you're going to join a new team, join the team with a track record of success on a trajectory to the top.

Our consultants are responsible for the delivery of, assessment, design, implementation, customization and support services for clients. This person quickly assesses client needs and develops innovative solutions to solve their problems. Finding new ways to constantly improve the operations, satisfaction and loyalty of our clients is a top priority. Travel is minimal.

Requirements

- Bachelor's degree preferably in Management Information Systems, Accounting, or Business
- 2+ years of experience in systems applications consulting, either internally via an IT organization or externally with a consulting firm or software provider
- Demonstrated experience in translating customer business requirements into workable business solutions, either as a software solution or a re-engineering initiative
- Customer relationship acumen and experienced consulting skills
- Solid experience in Change Management, Business Process Mapping, and Project Management
- Experience with software in an SaaS environment including any experience with Accounting, Sales Force Automation, Marketing Campaigns and Web presence
- Consulting experience with QuickBooks, Great Plains, Microsoft Dynamics, Intacct, Salesforce.com, Upshot, ACT, Goldmine, MAS 90, Siebel, Oracle, SAP, PeopleSoft, JD Edwards, NetSuite
- Solid experience in change management and business process mapping in support or in conjunction with a major IS initiative
- Strong experience in one of the following verticals or domain: Financials, Accounting, Manufacturing, Software, Wholesale Distribution, Services, Retail, Enterprise, General Business

Why Join Explore?

1) You want to make an impact

Our consultants work hand in hand with clients to help them realize substantial improvements in their business. You aren't a cog; you are the machine!

2) You want to be continually challenged

We emphasize continual improvement within our organization and with our clients. Our consultants adapt to new client needs and find better ways to help our clients succeed.

3) You want to work with an exceptional team

Our team delivers; Explore Consulting is the most experienced and decorated NetSuite provider in the Northwest and 2 time Partner of the Year, Americas. Through team collaboration we're able to deliver the full value of our team's knowledge and experience.

4) You want an exciting career

You like a career that is creative, requires innovation to succeed, and is financially and personally rewarding.

5) You want uncapped earning opportunities

You know you're good and like the idea of earnings opportunities beyond billing hours. Our innovative model provides that opportunity.

Ride the wave! Cloud technologies are the wave of the future and we've had our head in the cloud for over 14 years. Based in Bellevue, Washington, Explore Consulting was founded in 2001 and is a professional services company dedicated to providing innovative and costeffective solutions for their customers' database and IT systems needs. We are the largest and most experienced NetSuite reseller and solution provider in the Northwestern United States. Explore Consulting is well-known as a leader in NetSuite implementation, customization, integration and Ecommerce, and has also been a 10-time NetSuite Star Performer, won 24 NetSuite awards, and was recently named as 2014 NetSuite Partner of the Year, Americas.
